

The project «Tinca and Zsadany twinned in EU» was funded with the support of the European Union under the Programme "Europe for Citizens"

Applicable to the Strand 2 – Measure 2.1 "Town-Twinning"

Participation: The project involves 182 citizens, 86 participants from the city of Zsadány (Hungary), 86 participants from the city of Tinca (Romania), and 10 participants from the city of Oradea, from the Association of Intercultural Communities (Romania).

Location/ Dates: The event will take place in Zsadány Község, Hungary, from 04/09/2015 to 06/09/2015

Project theme: Theme of the project is participants' understanding of the importance of the European Union, of volunteering and intercultural interactions which are beneficial to society-being in consistence with the two objectives of the program.

Project Objectives:

- Raising awareness on the importance of voting in the European Parliament's elections, among participants from the twinned towns Tinca and Zsadany.
- Informing the participants of the two twinned communities, about the concept of volunteering
- Strengthening institutional and human ties between citizens of the two twinned communities

Activities and the methods used:

The project will have activities that will facilitate the strengthening of connections between participants of both twinned villages, Tinca and Zsadany. There will be lectures about the role of volunteering, the importance of voting in the European Union's elections, presentations of good practices for EU-funded development projects.

In the second part of the meeting an appropriate framework will be created in which young people of the two towns can play football, handball or volleyball together.
